# Expert Review Team Pilot Plan

## Overview

A pilot plan is due to the AIB on July 1, 2023, for the deployment of Expert Review Teams (ERTs) in the 2023-24 school year.

A brief extension is necessary in order to complete this plan in partnership with contracted experts and new staff.

## Action

The Committee will send a letter to the AIB formally requesting an extension of the due date to September 1, 2023.

The Committee will vote today to adopt the extension request to be sent.

# Public Comment

Members of the public are encouraged to submit questions and comments to the Committee in advance of public meetings.

The Committee will respond to questions presubmitted in the live meeting to the extent practicable, time permitting. Any questions which are not addressed live will be answered in a new FAQ document on the Committee website.

Questions and comments in the YouTube Livestream chat may not be answered live during the meeting due to logistical constraints; however, questions posted will receive a response following the meeting by email or in the FAQ document.
